Pursuant to 37 C.F.R. § 1.56, applicants hereby disclose the following information for consideration by the Examiner:

Each of the documents listed on accompanying PTO Form 1449 submitted herewith. A copy of each listed document is enclosed for the convenience of the Examiner, which copy is the best available to the Applicant at this time; the Examiner is requested to disregard any underlining or marginal notation (if any) appearing in a copy, since marking may have been done for another purpose and may not pertain in any manner to the subject application.

The listed documents may be relevant to examination of the application. Inclusion of the document is not an admission that the document

OT01455

is prior art with respect to the invention of the application and is not to be construed as an admission that anything in the document renders any claim of the application unpatentable.

Applicants assert that the claimed invention is patentable over the documents listed on PTO-1449.

The Examiner is kindly requested to initial and return the PTO-1449 Form to evidence consideration of these documents.

It is not believed that any fee is due. In the event a fee is due, the Commissioner is authorized to charge said fee to Deposit Account No. 19-0365.
